

Item: RMC11789315PK

Price: \$11.49/PK

- Sold as a pack of 2
- Comes w/ 1 sprayer
- 32 oz. bottle

The US Center for Disease Control's 2019-nCoV information page recommends that people clean all frequently touched surfaces every day, as well as any surfaces that may have blood, body fluids and/or secretions or excretions on them. They suggest the use of a diluted bleach solution or a household disinfectant with label claims against human coronaviruses. Quat Plus TB is an EPA approved disinfectant able to kill coronaviruses.

Recommended for use in hospitals, nursing homes, schools, colleges, commercial and industrial institutions, and veterinary clinics. Disinfects, Cleans and Deodorizes. Use on floors, walls, metal surfaces, stainless steel surfaces, glazed porcelain, plastic surfaces and other hard non-porous surfaces
