FLOFFC19TK

- **NO PRESCRIPTION REQUIRED:** Authorized under FDA EUA, for home use.
- **DETECTS ACTIVE COVID-19 INFECTION:** Antigens indicate active disease, find out if you have COVID-19 by performing a painless nasal swab.
- **TEST ONCE:** Unlike other tests, no need to retest a couple of days after the 1st test, unless new symptoms appear!
- **NO SYMPTOMS NEEDED:** The Flowflex COVID-19 Home Test has been authorized to test patients with or without COVID-19 symptoms.
- **QUICK:** Get Results in 15 minutes. Straightforward and easy to read.
- **ACCURATE RESULTS:** That let you enjoy family time, while worrying less about COVID-19.
 - Clinical performance showed 93% sensitivity and 100% specificity.
- **TEST CHILDREN:** Ages 2 and up.
